

Job Description

Vital Therapies is hiring! We are an exciting life science company located in the Carmel Mountain Ranch area of San Diego. Vital Therapies is a pioneer in the treatment of acute liver failure. We are expanding our team and are currently hiring a **Senior QA Associate**

Position Overview:

This position supports the different activities within the Quality Assurance Department. Primary responsibilities include performing line clearance, reviewing batch records and supporting documentation, generating or reviewing VTL GMP procedures and specifications, receiving inspection activities.

Performs inspection readiness activities to ensure compliance with cGMPs and applicable SOPs and guidelines. Strives to reduce non-conformances in supported areas by proactively driving compliance. Provides support during internal audits and regulatory inspections.

Essential Duties and Responsibilities include, but are not limited to:

- Receiving inspection activities
- QA line clearance activities
- Review production batch records for accuracy, good documentation practice and completeness
- Interact with manufacturing and facilities to resolve issues and ensure that applicable GMP records are generated e.g. Deviation, OOS, NCMR, CAPA, Change Control
- Review GMP related processes and supporting documentation for compliance
- Generate or review VTL procedures for accurate process description and compliance to regulations
- Collaborate with different members of the QA/RA Department working on special projects
- Support vendor audits
- Support internal audits
- Maintains a clean and safe work environment and follows all safety policies and procedures

Position Requirements:

Education and Experience:

- Bachelor's degree is required, science-based major is preferred
- Minimum 5 years' experience in Quality within the life science industry, specific experience in cell and molecular biology laboratory is a plus
- Knowledge of cGMP or cGLP, FDA Quality System Regulations, ISO and Risk Management
- Familiarity with QC rules and their application within the laboratory and experience with regulatory or licensure aspects of the life science industry

Physical Requirements:

Physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Regularly required to sit and talk and hear. Employee frequently is required to use hands to finger, handle, or feel. The employee is occasionally required to stand, walk, and reach with hands and arms.

Occasionally required to stoop, kneel, and lift up to 50 pounds. Frequently required to work on a computer up to 8 hours a day.

We offer a fast-paced work environment, competitive compensation, and a comprehensive benefits package. We are an Equal Opportunity Employer.

Qualified candidates may submit **resumes** to careers@vitaltherapies.com
